Best Steampunk Themed Portrait 17

Steampunk is a sub-genre of science fiction that typically features steam-powered machinery, especially in a setting inspired by industrialized Western civilization during the 19th century. Therefore, steampunk workers are often set in an alternate history of the 19th century's British Victorian era or American "Wild West", in a post-apocalyptic future during which steam power has regained mainstream use, or in a fantasy world that similarly employs steam power. Steampunk is not allowed in categories 11 – 16 and 18 – 19.

I Certify that the studio listed above created this photograph between the dates of January 29, 2015 and January 31, 2016 and that I have obtained any Subject Release(s) required for its publication by AAPI.
